

DEEP CREEK LADIES GOLF ASSOCIATION

Welcome to all Women golfers:

We are an 18 Hole League that plays every Thursday morning from the beginning of October to the end of April. Membership is open to all skill levels with the only requirement being that you have an established USGA handicap of 40 or under. If you have not established a handicap you may submit 6 score cards showing the results of playing 6 rounds of 18 holes on a regulation course. Also, you do not have to be a member of Deep Creek to join the League.

Our annual dues are \$45 which covers all League events and must be paid before you play. The weekly games for prize payouts, chip-ins and closest to the pins is \$5.00. There is also an optional gross and/or net skins game for an additional \$2 for each option.

We have two major League tournaments; the President's Cup and the League Championship which does require a member to play at least 6 League events prior to those dates. And there are several team events and scrambles along with Luncheons and membership meetings. For a list of the weekly games please see the attachment below.

If you are interested in joining the Ladies League or have any questions please contact one of the DCLGA Board members or ask in the Pro Shop.

President - Jann Gray 603-498-6978
